LMI Products

Labor Market Information Division Home Page

Summary: Our division home page (<http://dir.alabama.gov/lmi>) provides linkage to several online publications such as the Career Exploration Guide, Statistical Bulletin, Licensed Occupations Guide, Wage Survey and various projections. This site also provides entry into Alabama's Comprehensive Labor Market Information System (ACL MIS). In addition, there is a link to Local Employment Dynamics (LED) information provided in cooperation between the Alabama Department of Industrial Relations, LMI Division and the US Census Bureau. In-house data and information can be found by following the homepage links which include ACL MIS, Occupational Statistics, Employment Statistics and Related Sites.

Contacting LMI Unit: Information Systems and WIA

Frequency: Ongoing

Availability: Nation, State, Metropolitan Areas, Workforce Investment Areas and Counties

Media Format: Internet

What questions can this website answer?

- § Where can I get a map of Alabama's Metropolitan Areas and Workforce Investment Areas?
- § Where can I find an alphabetical listing of the top 150 employers in the state?
- § Where can I find links to websites with information on jobs and careers?
- § Where can I compare occupational wages in the metropolitan areas of Alabama?
- § Where can I find data about Alabama's unemployment rates?

ACLMIS

Summary: Alabama's Comprehensive Labor Market Information System (ACLMIS) interactively displays and analyzes a wide variety of labor market information stored in the nationally standardized America's Labor Market Information System (ALMIS) database.

ACLMIS automates the process of providing labor market information to the State of Alabama's users. Customers can access ACLMIS from the LMI home page (<http://dir.alabama.gov/lmi>).

The ALMIS database houses the following information:

[Population Data](#)
[Housing & Income Figures](#)
[Industrial & Occupational Wage Information](#)
[Employment and Unemployment Data](#)
[Employer Data](#)
[Program Completer Data](#)
[Sales and Tax Revenues](#)
[Building Permits](#)
[Commuting Patterns](#)
[Mass Layoff Statistics](#)

ACLMIS Customers:
Employers--Job Postings!
Job Seekers--Skills Assessments!
Economic Developers-- Labor Force Data!
Career and Counselors--Career Trends!
Students--Training Programs!
Dislocated Workers--Similar Career Field!

Contacting LMI Unit: Information Systems and WIA
